## Resourceful Contacts

### Important Contacts

Now that you've bought your new home, or are moving into the area, it's time to notify utility companies. You will want to contact utility companies prior to taking possession of your home, and if possible, transfer service from the seller into your name. This will prevent re-connection fees. Be sure to ask about any required deposits.

#### ELECTRIC

American Electric Power: 800-672-2231

Dayton Power & Light: 800-253-5801
